O R D E R

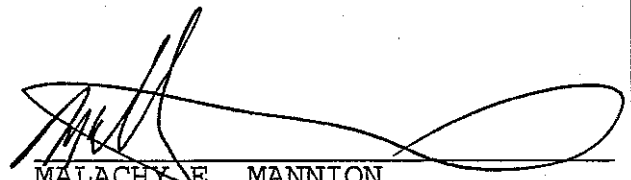

On January 10, 2001, the plaintiff, an inmate at the United States Penitentiary, Lewisburg, Pennsylvania, filed this civil rights action pursuant to 28 U.S.C. § 1331. The plaintiff did not, however, utilize this court's form application to proceed in forma pauperis or file an authorization form to have funds deducted from his prison trust fund account. Consequently, he will be directed to do so.

NOW, THEREFORE, IT IS ORDERED THAT:

- (1) The clerk is directed to serve the plaintiff with the appropriate form application to proceed in forma pauperis as well as an authorization form;
- (2) The plaintiff shall complete fully and return to

the court the completed application to proceed in forma pauperis and authorization form within twenty (20) days of the date of this order; and,

- (3) The failure to return the completed forms will result in a recommendation that the complaint be dismissed without prejudice.
